Client Testimonial 24th January 2022

“We all really enjoyed the legal session with you. Super lively and fulfilled all learning objectives and at the cutting-edge of all the exciting changes in legal landscape. With so many associates wanting to remain in Dubai after DBA, this is a brilliant foundation for them.

So Zoom no barrier – but we sincerely hope we can thank you in person soon.

And the winning team are eager to take you up on your kind offer. If I remember from Dubai Opera, you were mobbed and needed a bodyguard. “
