## **Remote Working Visa**

The Dubai Work Remote Visa program allows individuals working for companies overseas to obtain a remote working resident visa in Dubai to allow them to reside and live in the UAE. The Visa is valid for 1 year and is renewable after 1 year and onwards.

The program grants access to all the standard services that residents benefit from in Dubai, including banking, telecoms, utilities, workspace rental, healthcare and schooling. It allows global workers to live and work in UAE whilst undertaking work for companies or with companies from other countries.

There are no nationality restrictions. However, Immigration reserves the right to reject applicants for national security reasons.

### **REQUIREMENTS**

1. Passport with 6-month validity (Colored and Clear Scanned copy in PDF Format) with minimum 6 months validity (Passport should be scanned in the normal colored scanner);
2. Health insurance with UAE coverage validity, or Travel Insurance with Healthcare coverage (minimum 1 month validity) (insurance document must have full details mentioned on it, including the name of Policy holder, date of issue of the policy, date of expiry of the policy and area of coverage); and
3. Proof of employment from current employer with at least a one-year contract validity and a minimum income of US\$5,000 per month (should be translated in English and attested if translated)

#### **OR**

If a company owner, the proof of ownership or incorporation certificate of company from the company's registry for one year or more (the ownership copies should be translated in English and attested if translated); and

4. The last 3 months bank statements with a minimum income of US\$5,000 per month (bank Statements should be PDF format, translated into English and attested if translated).

### **FEES**

Visa fees: AED 3,100 – 3,600 (dependent on choice of medical service)

T&A fees: To be advised.
